

Outreach Sponsorship

2016-2017 Funding Guidelines

SOAR provides sponsorship for undergraduate Registered Campus Organizations (RCO) initiating a one-day outreach events (e.g. campus visits, campus tours, student panels, workshops and conferences).

Different amounts are available for **half-day** and **full-day events**.

1. Events must be initiated by a UCI undergraduate Registered Campus Organizations (RCO)
2. Each RCO can only apply for 1 SOAR Outreach Sponsorship per academic year
3. Projects must include activities that contribute to increasing the achievement, development, and UC eligibility of educationally underrepresented¹ and underserved² students in Title I high schools and community colleges. Academic preparation activities include:
 - a. UC Application
 - b. Personal Statement
 - c. Parent Orientation
 - d. Choosing a Major
 - e. 4 Systems of Higher Education
 - f. High School Planning: Freshman-Senior Year
 - g. Financial Aid
 - h. Study Skills
 - i. Time Management
4. Types of events that can be funded includes but is not limited to campus visits, campus tours, student panels, workshops, and one-day conferences.
5. The maximum amount awarded for a half-day (3-4 hours) is \$250
6. The maximum amount awarded for a full-day (+5 hours) is \$500
7. The on-line Outreach Sponsorship Application can be found on the SOAR website under the Outreach section
 - a. Funding Requests must be submitted by **30 days prior** to the event.
8. You must submit a PDF file of your budget to andyle@uci.edu no later than 24hrs after submitting the online application. Must include total budget, total amount requested, and other funding sources. Please visit the "required forms" tab under the Outreach section to download the budget template.
9. Sponsorship applications will be reviewed within **two weeks** after submission
10. Awarded funds will be contingent upon completing a training orientation (dates will be specified in the award e-mail)
11. During the event you must have the SOAR Data Intake Card filled-out by the UCI volunteers and the prospective student participants (high school and community college students)
12. All SOAR Data Intake Card must be submitted **no later** than **two weeks** after your event.
13. For more information about SOAR sponsorship for your one-day event, please contact: Andy Le at andyle@uci.edu

¹Underrepresented: students who are disproportionately lower in number of attending or graduating from college.

²Underserved: students who are typically, low-income, first generation, and underrepresented racial/ethnic minorities that do not receive equitable resources as other students in the academic pipeline.
